

Project Description:

DAKOTA is pleased to have participated on the removal of the Flanders Ave Bridge over Crowchild Trail the busiest intercity carriageway in Calgary. This round the clock endeavor removed the bridge, piers, abutments and slope stabilization and reestablish Crowchild Trail within 60 hours of mobilization in time for rush hour traffic after the September long weekend. The success of this project is the result of good equipment and good team work by some of the best personnel in the industry.
